Continuing Our Good Work

Dear GSA Employees:

It is an honor and a privilege to serve as Acting Administrator until the President names, and the Senate confirms, the next GSA Administrator.

To ensure our continued progress as an Agency and a seamless transition to the incoming Administration, I am pleased to announce that Kevin Youel Page will serve as Acting GSA Deputy Administrator, and Gregg Trembl will serve as Acting GSA Chief of Staff. Additionally, I have asked the following individuals to serve as Acting Regional Administrators in their respective Regions:

Region One: Glenn Rotondo
Region Two: Frank Santella
Region Three: Joanna Rosato
Region Four: Erv Koehler
Region Five: John Cooke
Region Six: Dennis O'Connell

Region Seven: Jim Weller
Region Eight: Tim Horne
Region Nine: Dan Brown
Region Ten: Tiffany Hixson
Region Eleven: Paula Demuth

Kevin, Gregg, and the regional leaders listed above will serve in an acting capacity until the President appoints individuals for these leadership positions. And I plan to continue in my role as Commissioner of Public Buildings while serving as Acting Administrator, working closely with my fellow Commissioners Tom Sharpe and Rob Cook.

As we transition from one Administration to the next, we must remain committed to our Agency mission to provide best value in real estate, acquisition, and technology services to government and the American people.

During this transition period, I expect us all to:

- Focus on our key initiatives and organizational priorities;
- Reinforce our commitment to the basic principles of customer service and support; and
- Be responsive and flexible and allow the incoming Administration to set the future direction for the Agency.

Since I began at GSA almost three years ago, I have been so impressed with the quality of our people, and the impact of our work. I appreciate the opportunity to be part of our team here at GSA, and I look forward to continued success as we move forward as an Agency.

We will miss our previous Administrator Denise Turner-Roth; however, we are so pleased to have our new Acting Administrator Norm Dong. Both Acting Administrator Dong and his Deputy Kevin Youel-Page are very familiar with Blacks In Government (BIG), Benjamin Banneker Chapter (BBC) and the great work we do to help to "Build A Stronger" GSA.

Let's welcome them in their new leadership roles!

Norm, excellent edits and simplification. I like the emphasis on the principles going forward in transition.

I think you should make clear that you retain the Commissioner role in PBS.

Also, my last name has no hyphen.

I look forward to serving you to the best of my ability.

Best regards,
Kevin

Dear GSA Employees:

It is an honor and a privilege to serve as Acting Administrator until the President names, and the Senate confirms, the next GSA Administrator.

To ensure our continued progress as an Agency and a seamless transition to the incoming Administration, I am pleased to announce that Kevin Youel Page will serve as Acting GSA Deputy Administrator, and Gregg Trembl will serve as Acting GSA Chief of Staff. Additionally, I have asked the following individuals to serve as Acting Regional Administrators in their respective Regions:

- Region One: Glenn Rotondo
- Region Two: Frank Santella
- Region Three: Joanna Rosato
- Region Four: Erv Koehler
- Region Five: John Cooke
- Region Six: Dennis O'Connell
- Region Seven: Jim Weller
- Region Eight: Tim Horne
- Region Nine: Dan Brown
- Region Ten: Tiffany Hixson
- Region Eleven: Paula Demuth

Kevin, Gregg, and the regional leaders listed above will serve in an acting capacity until the President appoints individuals for these leadership positions. And I plan to continue in my role as Commissioner of Public Buildings while serving as Acting Administrator, working closely with my fellow Commissioners Tom Sharpe and Rob Cook.

As we transition from one Administration to the next, we must remain committed to our Agency mission to provide best value in real estate, acquisition, and technology services to government and the American people.

During this transition period, I expect us all to:

- Focus on our key initiatives and organizational priorities;
- Reinforce our commitment to the basic principles of customer service and support; and
- Be responsive and flexible and allow the incoming Administration to set the future direction for the Agency.

Since I began at GSA almost three years ago, I have been so impressed with the quality of our people, and the impact of our work. I appreciate the opportunity to be part of our team here at GSA, and I look forward to continued success as we move forward as an Agency.
